NABD ADAPTATION GRANT APPLICATION FORM (continued)

VOLUNTARY DONATION:

You can make a voluntary donation to the NABD by enclosing a cheque with this application (made out to: NABD) or by calling the NABD office on 0161 749 7050 to make your donation over the telephone by debit/credit card or online via <https://nabd.org.uk/donate/>. Any donation you make will help ease the pressure on the adaptation grant fund so it can benefit more people. Whichever way you choose to donate, if you are a UK taxpayer, please agree to apply Gift Aid to your donation – it will not cost you anything extra, but the HMRC will add 25p to each £1 you donate.

DETAILS AND PHOTOGRAPHS:

When your adaptation work is completed, it is a requirement of the grant terms and conditions that you send us some background information, a photograph of yourself with the bike and some close ups showing the work that has been funded by the NABD. We may then use the information/photographs to promote the work of the NABD. Please indicate below by circling, crossing out or underlining:
I agree / do not agree / to my story and photographs being used to promote the work of the NABD.

Please Note:

Before a grant application can be presented to the NABD National Committee, we need the following:

1. Correctly completed application form – if in doubt about anything, ring the office for help – 0161 749 7050
2. If you are having adaptation work done by an engineer, a written detailed quote is required on a company stationary from the engineer's company.
NB. All adaptation work is 0% Rated for VAT, no quote including VAT will be accepted.
3. A completed VAT declaration form.

If this application form is not completed correctly or not received at the office before the next NABD National Committee meeting, it will delay your application being processed.

No adaptation work should proceed until you have confirmation of a grant.

Retrospective applications for adaptation work already carried out cannot be considered.
